

It is our understanding that Tecumseh will be expanding its services in Tupelo and Corinth, Mississippi creating approximately 600 new jobs over a 36-month period in Tupelo and approximately 100 new jobs over a 12-month period in Corinth.

With that understanding, this memorandum serves as the Governor, Lt. Governor and Speaker of the House's commitment to secure funding at the level of \$750,000 per year, for a total of three years, to be used for on the job, and manufacturing training needs for Tecumseh Products Mississippi Projects in both Tupelo and Corinth.
